

MAKING HEALTHCARE HAPPEN.

FOR IMMEDIATE RELEASE

**enBio Announces Multi-Year Agreement With HealthCare Partners
Expanding Presence In The Southern California Region**

Burbank, CA – October 22, 2009 – enBio is pleased to announce its expansion and growth in the Southern California region by entering into a biomedical service agreement with HealthCare Partners that includes 50 clinics and urgent care centers. The facilities cover areas spanning across Pasadena/San Gabriel, San Fernando & Santa Clarita Valleys, Greater Los Angeles, Long Beach/North Orange County and South Bay. enBio signed a multi-year agreement to perform preventative maintenance and repairs.

Arthur Zenian, Chief Executive Officer of enBio said, “As everyone in the country struggles to pull through these difficult economic times, we will continue to advance our core strategy that taking care of our customers, and focusing on the quality of our services, drives our business results.”

About enBio

enBio delivers comprehensive biomedical technology management services that have redefined healthcare equipment maintenance. The Company creates customized service programs and support thousands of individual equipment assets for leading hospitals, surgical centers and healthcare clinics throughout the United States. enBio is a proud contributor to positive patient outcomes that are making healthcare happen™.
